

## Your Spiritual Hosts & Escort in Peru

awe inspiring experience after another.

**Sandra Gonzalez** Is a gifted intuitive born healer. She has trained for over 25 years with great Masters from the east and the purest lineage of the South American Shamanic priests. Sandra feels truly guided by THE UNIVERSAL ENERGIES and Angelical Realm, and allows these fun-loving beings to lead every step of this journey with magic and wisdom. Through specific meditations Sandra will guide the group to expand their visionary senses, self-healing, and discovery of the latent powers that resides within. Traveling with groups on spiritual pilgrimages is her way to heal the planet and the most fulfilling days of her life, because she knows that every turn of the trip will hold one

**Jacqueline Muller** a true living master of empathy whose joy for life inspires and transform the life of many on daily basis. Jacqueline has worked around the world and speaks six languages fluently, has run her own highly successful International company and holds a perfect balance between the spiritual and material world. She is the founder and director of **Sacred World Journeys**, an organization aimed to raise wellbeing and harmony into the world through conscious living. Traveling with Jacqueline is fastest way to get from your head into your heart.

*Two local genuine Peruvian Shamans will open the gate into the mystic world of the Inca Civilization for you*

**Jose Ramos is one of the most genuine and open hearted Shamans of Peru.** He has trained from an early age with the Kallahuayas Shamans of Lake Titicaca. He will open the gate into the mystic world of the Inca Civilization for you. He will perform ceremonies, powerful healings to connect us to Pachamama and the most powerful sites of the Inca Empire.

**Sayri Manco** a sincere, peaceful warrior, who has trained under the wise Q'ero Elders of Cusco since early age to preserve the integrity and the gifts of the healing arts of his lineage. His flute will transport you into higher dimensions to connect with his ancestors and the purity of his soul.
